Dear Students and Parents,

It is that time of year! It is time to help fight cancer by raising money for Terry Fox.

The top two students who raise the most money get to decide which Chiganois Teacher (ie: Mr. Harnish, Ms. MacLeod, Ms. Raymond etc.) Mr. Gunn will dress up as. Remember, **any student who is able to raise over a hundred dollars will be able to throw a whip cream pie in the Chiganois Staff Member of their choices face.**

We understand house to house fundraising may not be possible. If you want to reach out to relatives and friends anywhere in North America they can donate directly electronically through the Terry Fox Foundation's website under the school run section and enter Chiganois Elementary. Please record any online donations on your physical pledge sheet so we can keep track here at the school.

You have until September 24th to raise as much money as you can. Let`s make Mr. Gunn wear some silly clothes and help beat cancer one donation at a time!

Pledge sheets will go home Monday September 13th.

Let`s do this Chiganois!!

Thank you for your support,
Mr. Gunn
